

SA HEART®

Journal of the South African Heart Association

Recognition by the Department of Education (DoE)

SA Heart® is listed by the Department of Education (DoE) as an Approved Journal since January 2009. This development is important, not only for the stature of the Journal, but also for practical reasons such as the subsidy from the DoE involved for authors affiliated to academic institutions.

International recognition as a National Cardiovascular Journal

SA Heart® is one of an elite group of publications recognised by the European Society of Cardiology (ESC) as a National Cardiovascular Journal.

The invitation to join the ESC Editors' Club highlights the recognition the journal has gained amongst our international peers.

The recognition by the Department of Education and the Academy of Sciences of South Africa (ASSAf) is something we should all take pride in.

Electronic publication

The Journal is published electronically and articles appearing in SA Heart®, both previous and current, are available online at www.saheart.org/journal.

Articles are published in pdf format to facilitate rapid download and easy printing.
