

AUTHORSHIP STATEMENT

Article title:

A case of central pontine myelinolysis

The International Committee of Medical Journal Editors recommends that an author should meet all four of the following criteria:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
- Drafting the work or revising it critically for important intellectual content;
- Final approval of the version to be published;
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

The undersigned authors have approved the final manuscript and given permission for publication in the African Journal of Nephrology. This statement, signed by all the authors, confirms all listed authors meet authorship criteria and that no others meeting the criteria have been omitted.
