DECLARATION OF PROFESSIONAL EDIT

The benefits of using small supervisor-initiated groups to supervise master's research

by **Sumari O'Neil**

I declare that I have edited this article for submission to the South African Journal of Higher Education. In editing I followed the Chicago Manual Style author-date system. My involvement was restricted to language usage, spelling, consistency, completeness, referencing style, and basic formatting. The editing was done using track changes and comment boxes; therefore, responsibility for the final document rests with the author.

Sincerely

Rika (FM) Weiss
