Dear Ms Lekena

**Re: Permission to use Institutional Data**

Thank you for requesting to use institutional data for research and publication thereof. By virtue of my office as the custodian of the Institutional Management Information System and the data stored therein, I have a fiduciary responsibility to protect the university's intellectual property as well as ensure compliance with the Protection of Personal Information Act (2013).

Your request has been reviewed and I am pleased to inform you that you may use anonymised data collected for the 2014 and 2015 First-Year Initial Experience Survey (FYIES).

The data may only be used for research on Predictors of first-year student success: Comparative analysis of UOTs and Traditional Universities with due acknowledgement to the university. As indicated in your email, kindly comply with the ethical conduct principles as stipulated by the Tshwane University of Technology

Kind Regards
