3rd March 2017

TO WHOM IT MAY CONCERN

This is to certify that I, a native English language speaker, have edited the article, **Meta-modes of learning that support and influence the millennial student's holistic learning experience at an Academic Institute in South Africa**, by Marlo de Swardt, for English style, language, and consistency.

The responsibility to accept or reject suggestions rests with the authors.

Thank you for the opportunity to do this.

Sincerely

P J Finlay
