

14 October 2017

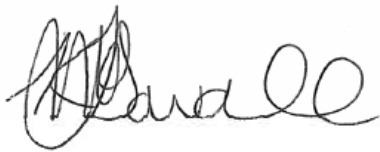

**To whom it may concern**

This is to confirm that I was employed by Chimene Nukunah to edit the following article:

**The contribution of a private higher education institution to the South African higher education landscape**

The edit included checking language and grammar, flow, logic and layout.

Kind regards

A handwritten signature in black ink, appearing to read 'Kelly McDowall', with a stylized, cursive script.

**Kelly McDowall**
